Most of our business comes from referrals of satisfied customers. Therefore, to show our appreciation, we have developed a "**Customer Referral Program**" for our existing customers, which rewards you whenever you help us to get successful sales. The more people you refer to our company, the more the rewards!

Do you have a friend or family member that is interested in installing a new septic system? How about a neighbor or a co-worker? Refer them to us to enjoy the rewards of our referral program.

When you refer someone to us and they purchase a new septic system from Hurt's Wastewater Management, you will receive a **\$100 Visa® gift card** from us to show our appreciation. The gift card can be used anywhere that Visa® is accepted.

If one of your referrals calls us for a new system, please let them know to mention your name and phone number as the person who referred them. Once the system has been installed, we will send you the **\$100 gift card!** It's just that simple!

We strive to provide excellent customer service. If there is anything that we can do to make your experience with Hurt's Wastewater Management a more pleasurable one, please let us know. We look forward to hearing from you with your referrals and hope to be sending you a **\$100 gift card** very soon!

Best and sincerest regards,

Hurt's Wastewater Management
